

David Holcomb
Owner, Buckeye Gymnastics

“ We went to Renier with a need to expand our existing facility so that we could better serve our students.

They created a vibrant space that is practically identical to our original gym. It is nearly impossible to tell the old building from the new extension.

Renier listened to our concerns and addressed our need to maintain daily operations. We were able to remain open throughout the entire process.

Renier gave us their utmost attention. They worked on weekends and nights to complete our job and really impressed us with their professionalism, work ethic and dedication. The same team worked on our project from start to finish and **they really made us feel like we were their most important client.**

Working with them was a real pleasure. If I ever do another project I will call Renier first. ”
